NORTHWEST SPORTHORSE BREEDERS ASSOCIATION

2007 Breeders Classic Show

Thank you for considering a sponsorship, helping ensure the success of this years horse show. Our dates for 2007 are September 8 and 9th in Spanaway, Washington. This show attracts many exhibitors that are novices to the world of showing, opening up new avenues in your marketing. We also have our veteran breeders who appreciate your support in helping this show to continue.

We are the proud hosts of the United States Dressage Federation Dressage Breeding Northwest Series Finals. Our Horse Show program includes our annual directory of the current years Northwest Sporthorse and Pony Breeders Association members. For those who are long time followers you can see that we proudly welcome the pony community to our fold. While they have always been welcome, the new addition of classes offers a chance to see more of the ponies breeds.

We also offer 100 Welcome packets for our pre-entered exhibitors and are gracious of any donations to fill the packets. The bags are wonderful for distributing information and samples on a new product or a coupon to boost sales at your store.

All Grand Champion and Championship donations pledged before August 1st will be included in the 2007 program with a full 8.5 by 11 page ad. If you would prefer to send color slicks these can be added when received printed to the above address by August 1st. The covers are a wonderful Full Color slick done professionally by Horses Inc and Seaprints. Send your form now to reserve your space and be billed August 1st, 2007.

Please circle your choice below.
