# Northwest Sport Horse Breeders Association

Rev. 02/01/2010

## Sponsorship Form

## 2010 Breeders' Classic

**Two shows, one weekend! September 3, 4 & 5, 2010**

Despite the economy this show holds its own creating more opportunities for reaching customers! Again NWSHBA proudly hosts two back to back United States Dressage Federation Breeding Shows and the USDF Region 6 Dressage Breeding Championships. This is our third year offering the two shows in the same weekend format with USEF, USDF, ODS, and NWSHBA Points. This year again, Hunter Breeding will open the weekend on Friday with dual judging. We are also proud to host of the Zone 9 Hunter Breeding Championships. There are many ways you can reach a wide variety of customers. Thank you for your support!

Roughly 100 pre-entered exhibitors receive Welcome Packets. Donations to fill the packets are great for distributing information, new product samples, or a coupon to boost sales at your store.

Our Silent Auction is a key feature during the show. Excitement runs high with bids closing late Saturday afternoon. Contributions of items, coupons, or services are another way to promote your business.

Vendor booths may be set up, as well, to advertise and sell merchandise and products during the show. You must provide your own tent and displays.

All Championship donations pledged before August 1st are included in the 2010 program with a full 8.5" x 11" page ad. If you prefer to send color slicks (100 printed copies), these can be used when received at the address below no later than August 1st.

For more exposure, the covers are a wonderful Full Color slick done professionally by Horses, Inc. Send your form now to reserve your space. Payment must be received no later than August 1, 2010.

Please circle your choice(s) below.
